

What to Expect on Your First Job with Limpiar

Welcome to Limpiar! We're excited to have you as part of our network. As you prepare for your first job, here's a simple guide on what you can expect:

1. Job Details Before You Start

- You'll receive a full scope of work outlining the tasks required.
- We'll share the project location, contact person onsite, and any access instructions.
- You'll know the number of laborers needed, job schedule, and expected duration.

2. Arriving on Site

- Be on time and ready with the necessary equipment (if required).
- Check in with the site contact before beginning any work.
- Review the scope of work to ensure full understanding.

3. During the Job

- Follow the instructions provided in the scope of work.
- Communicate with us or the site contact if you face any issues or delays.
- Maintain professionalism at all times. Represent Limpiar well!

4. Job Completion

- Walk through the completed work with the site contact (if applicable).
- Take photos of completed tasks as proof of work.
- Let us know once the job is done.

5. Payment & Next Steps

- Payment details will be confirmed in advance. Make sure to submit any required forms (e.g., Bank details).
 - You'll be notified of the next job opportunity.
-

Additional Tips:

- Communication is key! Keep us updated before, during, and after the job.
- Check your email and messages regularly for updates or changes.
- Reach out to your Limpiar contact if you have any questions.

We're here to support you every step of the way. Let's make this first job a success!
